INSURANCE REGULATIONS

These office policies will enable us to keep patient accounts current and bring awareness to understanding eligibility and benefits.

Office policies include:

- After your initial visit, your eligibility and chiropractic benefits will be given. Please note that it will not be a guarantee of payment from the insurance company.
- All co-pays will be due at the time of service, unless other arrangements have been made.
- If you have an outstanding balance of over 90 days and you need to make another appointment, at least half of that balance will need to be paid. The remainder will be due within an additional 30 days. Failure to do so will result in our computer system automatically putting the account into collections.

If you have any questions, please feel free to speak to Wanda Srebalus at Integrated Health Care, our billing service, at 708/468-4072 ext. 823 or Fefles Family Chiropractic at 708/671-1444. We will make every effort to inform you of any account changes or insurance denials.
